

Instructions for completing you Bio-Resonance Remote Kit:

1. Cut a lock of hair from around the neck area and place in the Ziploc bag.
 - a. At least 1 inch long and about 15-20 strands.
2. Cut your finger nails or toenails and add to the hair bag. (Optional)

Please make sure you have your name and birthdate on each bag.

Complete the clinical intake form and send the completed form with your samples.

There will be a 7 day turn-around time for samples. Please mail your Bio-Resonance Kit to the address below with your completed intake form.

***Please don't forget to label your specimen before sending them.

The Bio-Resonance scan will look for energetic imbalances such as hormones, PH imbalances, emotions, toxicity, food sensitivities, endocrine imbalances, pathogens and more.

If you wish to add on a Weight Loss Scan please let us know, as this will be an additional charge of \$25.00. This scan will see what type of exercise program works for you along with which weight loss plan is best for you as an individual. It will also indicate which foods are necessary to avoid in order for you to achieve your weight loss goals.

Please call 307-732-0540 and ask for Jennifer if you have any questions.

Thank you,

Simply Health Collective
